 wacebo

# Classrooms & labs for training and collaborative study!

The ideal choice for increased productivity

**DABLIU** Interactive table 43"

# Combines maximum performance & ease of use

Wacebo's 43" **DABLIU** interactive table is **versatile** and allows **simultaneous interaction**, making it the ideal choice for **training sessions** and **collaborative work**!

Display 43" 4K UHD  
3840×2160

Windows 11  
PRO

## Ergonomic and elegant design with rounded corners

The interactive table is crafted to **seamlessly fit** into any public or private area. Its sturdy **wooden structure** makes it a piece of furniture that **perfectly integrates** into any context.

## Pair of side legs with castors and brakes

The interactive table is equipped with a **pair of castors featuring brakes**, enabling **easy and swift movement** between rooms by lifting it slightly.

# Museums , halls & exhibition spaces

With Wacebo's interactive table, content becomes  
**clear & dynamic !**

## Choose the height you prefer !

The front legs are available in 2 heights, allowing you to customize the table with either a **horizontal** or **slightly inclined plane**

H 90 cm horizontal plane

H 72/90 cm inclined plane

Building on the outstanding performance of the **4K UHD panel** and the unique **LED backlight technology**, combined with a **robust design and structure**, the interactive table **maximizes the viewing area** and **enhances the visual presentation** of content, making it **much clearer and incredibly dynamic** !

## High-definition display

Stunning 4K UHD resolution

## Power supply beneath the leg

Enhances the design  
by minimizing cable  
visibility and **prevents**  
**direct contact** with  
electrical wires.

# Libraries & common spaces

Transform & furnish spaces into authentic  
**collaborative working environments !**

# DABLIU Interactive table 43"

The ideal choice for increased productivity

## Technical specs
