

### **RMA FORM**

# **TERMS AND CONDITIONS**

- It is essential, along with completing this form, to provide a video documentation of the defect encountered.
- The RMA procedure does not, except in special cases, involve direct replacement of the product.
- Wacebo reserves the right to verify the actual entitlement to warranty repair.
- In the case of a paid repair, a quote will be provided for your approval.
- The resolution time for the issue depends entirely on its nature; we will inform you of this after the product has been returned and will aim to make it as brief as possible.
- Each item must be returned in its original packaging (if available) or a similar one, as long as it is suitable for the safe return of the product.
- Products damaged due to inadequate packaging may result in the loss of warranty coverage and paid repairs, as well as delays in the process.
